Hi Sarah,

Can you please look into this again. A constituent just called me saying gate is only dummy locked.

15262 Marson Street, Panorama City 91402 at Marson Street Pocket Park. It is the gate between the street water pump area and the pocket park.

Best,

I will let you know but they will probably cut it off and replace it.

Great, thanks! Let me know if they need the key for the current lock.

Hi Sarah,

I hope you are well. Does the water pump off of Sepulveda Blvd underpass, at [15262 Marson St, Panorama City](#), belong to Public works?

If so, over the weekend someone cut the lock open between the pump and the pocket park. The community member that is currently in charge of the park put a regular store-bought lock. I can get a hold of the key so that it can be replaced.

Best,
AS
